Applications for Hajj visa will not be considered if the following requirements are not met:

The applicant must have a passport with a validity of at least six (6) months and acceptable both for entry to Saudi Arabia and entry to the next destination; the passport should have at least two empty visa pages adjacent to each other.

Each applicant must submit one (1) recent passport size color photograph with a white background. The photograph must be a full-face view in which the visa applicant is facing the camera directly. Side or angled views are NOT accepted.

A completed [Hajj Visa Application](#) filled-out with black ink or printed; the form must be signed and stamped by the authorized travel agency.

The Mahram should write his complete information on the application forms of his spouse and children or any relative with whom he is traveling. He should also provide copies of marriage or birth certificates; if these documents were issued outside the US, he should then provide copies translated and notarized by a certified translation office.

All women are required to travel for Hajj with a Mahram. Proof of kinship must be submitted with the application form. Women over the age of forty-five (45) may travel without a Mahram with an organized group. They must however submit a no objection letter from her husband, son or brother authorizing her to travel for Hajj with the named group. This letter should be notarized.

The applicant must be in possession of a non-refundable roundtrip ticket with confirmed reservations.

The applicant must submit proof of vaccination for meningitis and ACYW135. For infants and children up to fifteen (15) years of age, a vaccination report is required for polio as well as meningitis and polio. Children over fifteen (15) years of age should present the same vaccinations requested for adults.

a. meningitis and ACYW135.

b. The seasonal (or common) flu, which should be taken two weeks before applying for the visa.

c. The H1N1 flu, if a vaccine is made available before Hajj season, and should be taken two weeks before applying for the visa.

d. Infants and children up to fifteen (15) years of age should provide a vaccination report for meningococcal
